Subject: Distribution of I-73 Draft Re-evaluations

Good Morning,

SCDOT is excited to distribute the drafts of the I-73 North Re-evaluation & I-73 South Re-evaluation for your review and comment.

I sent the files via WeTransfer in 2 separate downloads (1 for the North Re-eval and 1 for the South Re-eval). If you are unable to download the PDF files from the WeTransfer site, please let me know and we will send you the information on a CD/DVD.

The 2 Re-Evaluations include SCDOT's response to comments received during USACE's public notice (Appendix H) and includes SCDOT's Final Mitigation Plan (Appendix I).

We are requesting that all comments be submitted by Monday April 3rd, 2017. This allows for a 30-day review period.
